

**Accept Flag Displayed  
When U. S. Entered War**

**WASHINGTON**, May 30.—As a souvenir of America's participation in the World war, President Harding today accepted for his countrymen the presentation by Ambassador Jusserand of France of the American flag which was displayed beside the French tricolor on the Eiffel tower, when news came of America's entry into the struggle.

With government permission several of Sweden's privately owned railroads will be electrified.
